Peer Mentoring Club

Need Help with Homework, School life or any problems, even just for something to do at a lunchtime!!!

Where else can we be found?
- Mentors aim to visit during form time several times a week for years 7 & 8.
- You can just look out for one of our badges anytime around school.
- Or they may just be a familiar face throughout school.

Then in 203 every lunchtime there will be a group of sixth form peer mentors there to help.
